1) A copy of the latest Precedence List of 6.7.36 is put up for reference. It is in this list that the name of the Registrar was transferred from class II to class III.

2) The pay of the Registrar is now Rs 400-700 and on this ground his place has been assigned to class III in which other Gol. offrs of the same grade, Executive Engineers etc are included.

The files leading up to this will be obtained from Bangalore and put up. By an examination of the file Register, it is however found that the University

11 It is seen from the Subn. Note d. 8.10.36 in the Collection put up that the question whether the transfer of the Registrar of the University from class II to class III is to come into effect immediately, or on a change of incumbents, was specifically raised by the University and a decision was

arrived at that there was not sufficient justification to continue the present incumbent (drawing Rs 450 in grade 400-25-700) in class II on personal grounds, and the ~~Regis Hoof~~ Universit was informed that the change to class III would take effect immediately. On this basis, Mr V. Gopalaswami Iyengar must have been treated as a class III office during last Dasara.

12 It is for order if this order need be revised & Mr V. Gopalaswami Iyengar given a personal rank in class II. (As a special case he was allowed to wear at the recent Bukkas Durbar the ~~the Residency~~ Uniform which he was formerly ~~wearing for~~ wearing when as a class II office, his rank continuing in class III)

14 There are not sufficient grounds to change the order of precedence as it would involve an invidious distinction in favour of Mr Gopalaswamiengar, while the other professors on 400-700 would be kept where they are.

Dear Mr Ramaiah

Many thanks for your kind letter of yesterday.

You are aware of the fact, I believe, that the Darbar Bakshi insisted upon my getting a civil uniform prepared for my use inspite of my misgivings in the matter (vide his D.O. No 143 dated 7-10-1932). Since you now say that I do not belong to Class II of Offices, I request you to let me know kindly if I can continue to wear the uniform or should put on only the usual palace dress.

If the latter be the case I shall be put to a financial loss and to delight to a lowering of the status that had been accorded to me for years — both for no fault of mine. I would therefore most earnestly request you to kindly get restored to me as a special case, the status that had been accorded to me in the above letter & by previous practice, for which act of kindness & justice I shall be grateful to you.

Yours sincerely
